Medicinal The Price of Pleasure.

It is hard for a lovely woman to forego the pleasures of the life which she may have to be busy all day in office or in store, yet she cannot deny herself the social pleasures which are offered her.

But the fatigue is often too great for her, and she suffers from headache and backache as a consequence of over-exertion.

Women who are tired and worn out will find a perfect tonic and nerve in Dr. Pierce's Favorite Prescription. It cures headache, backache and the other aches and pains to which women are subject. It establishes regularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness. It makes weak women strong and sick women well.

"I am so pleased with your instructions, I hardly know what to thank you for for your letter," writes Mrs. M. B. Bryant, of Lodi, Thomas Co., Va. "I suffered so much with great pains in my back and the lower part of my stomach and palpitation of the heart, that at times I could hardly lie down. Could hardly get up in the morning, but after using three bottles of 'Favorite Prescription' and two of Dr. Pierce's Pleasant Pellets, I am like a new woman."

Sick women, especially those suffering from diseases of long standing, are invited to consult Dr. Pierce's letter, free. All correspondence is held as strictly private and confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

WEAK LUNGS
Weak lungs are mostly due to a neglected cough. Only a small part of the millions who have consumption inherit it. A slight cold, a tickling or hacking cough is the beginning, and after it has reached a certain advanced stage there is no ending except the grave.

Any case of consumption that is curable; that is, any one having consumption whose family or friends still hold on to a ray of hope, may take comfort in the knowledge of the fact that One Minute Cough Cure will give instant relief and finally cure.

This famous remedy does not pass immediately into the stomach, but lingers long in the throat, chest and lungs, producing the following results:

(1) Relieves the cough.
(2) Makes the breathing easy.
(3) Cuts out the phlegm.
(4) Dries out the inflammation.
(5) Kills the germs (microbes) of disease.
(6) Strengthens the mucous membranes.
(7) Cures the hoarse, husky voice.
(8) Removes the feverish conditions.
(9) Removes every cause of the cough and the strain on the lungs.

(10) Enables the lungs to contribute pure life-giving and life-sustaining oxygen to the blood. Cures Croup and all Cough, Lung and Bronchial Affections.

CONSUMPTION CURED.
"My physician told me one year ago that I would die of consumption inside of a year. I commenced taking One Minute Cough Cure for my lung trouble and I cured me. I have gained 20 pounds and I am a pretty live 'dead woman.' One Minute Cough Cure saved me." Mary F. Spaw, Grand Rapids, Mich.

Pleasant to the taste. Good for Children Good for every body. For Coughs, Colds, Croup, Whooping-Cough, Bronchitis, Asthma, Pneumonia and all Throat and Lung troubles no remedy is so good as

THE GOULD TRAIN.
"I have everything in the world except time right now, and I am in a hurry. I want a special train, the fastest that your company can put on its line, and I want it right away. Let it get me to New York by the time your No. 32 arrives, or let it overtake that train for me, and you can name your price. I must get to New York by 2 o'clock this afternoon, the time of the arrival of No. 32."

That was what George Gould, in great anxiety, said to a representative of the passenger department of the Atlantic Coast Line at Jacksonville, Fla., yesterday afternoon. Gould had reached Jacksonville too late to catch No. 32 as it left that city. The railroad men wired to Savannah, and arrangements were made at once for the special train.

"It will cost him \$1,500," Division Passenger Agent W. H. Leahy, of the Coast Line at Savannah, wired Jacksonville. "All right," said Mr. Gould, "let me have it."

Then there was activity. Orders were flashed here and there, and one of the finest locomotives in the South was coupled to "Lake Shore" and "Stranear," two of the private cars of the Missouri Pacific Railroad belonging to Mr. Gould, and a combination car of the Coast Line. With Engineer Ed Leake at the throttle, the train soon moved out of Jacksonville in chase of No. 32, hours ahead of it.

"You have a clear track, pull her wide open," the trainmaster said to the engineer, and the engineer did as he was told, making the record run for the South and one that it is said has scarcely ever been equaled anywhere. It is 172 miles from Jacksonville to Savannah via Waycross. There is a "cut-off" via Wolkston, thirty miles shorter, but it is a new roadbed, so the run was made over the Waycross route as being less dangerous for such rapid traveling.

In actual running time, according to official figures, the 172 miles was made in 152 minutes, the train rolling into Savannah at 5:30 o'clock.

Seven miles between Walthourville and McIntosh was done in four minutes. The train Gould was pursuing left Savannah at 1:30 so he was four hours behind. Engines were shifted at Savannah and off again the wild train started. People stared in wonder as it sped by the stations. By the Southern's Palatka Limited and New York and Florida special, of the Coast Line, the fastest regular tourist trains that are run, it sped, for everything had been ordered sidetracked for Gould. In the Gould party were the multi-millionaire, himself, his wife, and children, and some twenty others. They caught No. 32 at Weldon, N. C., and passed through Alexandria at 9:40 this morning.

The wife of James H. Hyde, president of the Equitable Life Insurance Company, has a dinner engagement in New York today. As she was a member of Mr. Gould's party, he decided he would have to get her to New York in time to fill her dinner engagement.

YOUNG DESPERADOES.
Two young desperadoes of Newark, N. J., who have terrorized country places on the borders of Essex and Morris counties between of Essex and Morris counties have been arrested by the Newark police. The prisoners are Winfield McPherson and Roger Anthony. McPherson is white, and Anthony is colored. They are each 16 years of age.

To Captain Cosgrove the boys confessed to having committed several desperate crimes, including highway robbery, burglary, horse-stealing and assault. They told their stories with evident relish, each seeming to take pride in having participated in acts that hardened outlaws would have hesitated. Yet their career, undertaken jointly and inspired by the absorption of lurid literature, began only about a month ago.

The arrests were accomplished through a clue left by the two boys when they tried to dispose of a horse and carriage they had stolen Tuesday from a farmer's barn.

A burglary of a house of Farmer Young was planned and carried out February 26. The burglars armed themselves with loaded revolvers, and in addition McPherson carried a blackjack. They broke a window in the house about midnight. Then they fired several shots from the revolvers to frighten the occupants. They next proceeded to Young's room, held him up at the muzzle of the pistols and demanded, under penalty of death, all the money there was in the house.

McPherson and Anthony sallied forth again in the direction of Florham Park Tuesday. They rode to Milburn and after walking a distance halted Thomas Gaine, a Madison farmer, who was driving, and asked him for a ride. Gaine, good-naturedly accommodated the boys. They got up on the seat on either side of him. As the horse jogged along the lonely country road Gaine fell into a doze.

He was awakened while passing

We dare not take a grain of our own whiskey from our own warehouse unless he says it's all right. And when he does say so, that whiskey goes direct to you, with all its original strength, richness and flavor, carrying a UNITED STATES REGISTERED DISTILLER'S GUARANTEE of Purity and Age, and saving the dealers' enormous profits.
